Applying for the permit does not preclude your applying for any necessary permit that may be required from OTHER governmental agencies. Any work performed prior to obtaining all required authorizations may be subject to Federal, State, and/or local administrative, civil and/or criminal penalties. No liability shall be imposed on the district or any of its officers, agents, or employees, officially or personally, on account of the granting of this permit, on an account of any damage to any person or property resulting from any act or omission of the permittee or any of its agents, employees or contractors relating to any matter hereunder. This permit shall not be construed as limiting any legal claim or right of action of the District against the permittee, its agents, employees, or contractors for the violation of or failure to comply with the provisions of the permit or applicable provisions of law.

When all items have been satisfactorily completed and the District determines the project meets the District's Rule requirement, this permit will be issued. The permit may be picked up at the office or it will be mailed out. A copy will be faxed to the applicable governmental entity (Becer County or City of DL Zoning Departments).

The permit will be valid for 18 months from date of issuance unless otherwise suspended or revoked. A permit may be extended at no charge provided the property owner notifies the District in writing stating the reasons for extension. Any plan changes, and related project documents must also be included in the extension application. The District must receive the extension application at least 30 days prior to the permit's expiration date.

If changes are made to the permitted plan for this project, changes must be submitted to the District (in duplicate) for review. If approved, and amended permit will be issued.

When the project is complete, please call the District office at (218) 846-0436 to request final inspection.

This permit may be terminated by the Board of Managers without notice at any time deemed necessary for the management of the water resources of the District, or in the interest of the public health and welfare, or for violation of any of the provisions of this permit.

"I understand that, as a Permittee, I am legally accountable to ensure compliance with the terms and conditions of the permit. I understand that I am not authorized to begin the project until I receive the permit and the permit sign is posted on the site. If the project is modified, I will obtain approval by the District before I continue with the project. I authorize the District, and its agents, employees, officers and contractors, to enter the project site to perform any inspection or work authorized by the permit or any applicable law."

"I certify that I have thoroughly read and understand the information on this permit application, including submittal requirements."
