PERMIT

PERMIT MUST BE POSTED AT PROJECT SITE, VISIBLE FROM ROAD

Permit Number 19-28       Permit Date: 06/21/19

Permit Granted To: Brad & Kelli
                   Sessler

Project Address 20675 Evergreen Shores Dr

City, State, ZIP: Detroit Lakes, MN 55501

Project Type Shore Impact Zone Alteration: Install shoreline rip-rap; add fill, seed, and erosion control blanket

Permit Granted with the Following Conditions to be Satisfied by the Permit Holder:

1) Project will be constructed as shown on approved site plan, prepared by Schoolers Rip-Rap Service, dated 06/09/2019
2) Project will be constructed as shown on PRWD photograph, dated 06/20/2019
3) Rip-rap must consist of randomly and loosely placed rock, following MN DNR guidelines. Crushed rock filter material is recommended.
4) Erosion and Sediment Control Best Management Practices will be installed to contain disturbed soils

**All measures must conform to other applicable Zoning and Shoreland Ordinance regulations (Becker County, City of Detroit Lakes, Minnesota Pollution Control Agency, MN Department of Natural Resources)**

This permit is valid for 18 months.

Permit may be revoked at any time upon violation of Pelican River Water Management Rules. Any changes to this site permit results in nullification of this permit and a new permit will have to be obtained.

Signature of Tera Guetter, District Administrator

May 2019
PERMIT APPLICATION SUBMISSION CHECKLIST

☐ Completed permit application, signed by the Property Owner, or notarized Authorized Agent

☐ Site plan, erosion prevention and sediment control plan, maintenance plans, and other information and calculations (soil borings percolation test results, etc.) as per the District Engineer Technical vienmo revised November 7, 2018

☐ Application and Field inspection fees according to the most recent schedule

TERMS OF THE PERMIT

Applying for a permit issued through the Pelican River Watershed District (PRWD) in no way precludes obligation for permit application that may be required through OTHER governmental agencies. Any work performed prior to obtaining all required authorizations may be subject to Federal, State and/or administrative, civil, and/or criminal penalties. No liability shall be imposed on the District or any of its officers, agents or employees on official or personal grounds, on account of the granting of this permit, on account of any damage to any person or property resulting from any act or omission of the Permittee or any of its agents, employees or contractors relating to any matter hereunder. This permit shall not be construed as limiting any legal claim or right of action of the District against the Permittee, its agents, employees or contractors for the violation of, or failure to comply, with the provisions of the permit or applicable provisions of law.

When all items have been satisfactorily completed and the District determines the project meets the District’s Rule requirement, this permit will be issued. The permit may be picked up at the District office, or it will be mailed to the designated address. A copy of the approved permit will be sent to the applicable local governmental entity (Becker or Ottertail County, City of Detroit Lakes zoning departments).

The permit will be valid for eighteen (18) months from the date of issuance, unless otherwise suspended or revoked. A permit may be extended at no charge, provided the property owner notifies the District in writing stating the reasons for extension. Any plan changes, and related project documents must also be included in the extension application. The District must receive the extension application at least thirty (30) day prior to the permit’s expiration date as issued.

If changes are made to the permitted plans for this project, changes must be submitted to the District (in duplicate form) for review prior to installation or completion occurs. If changes to the original (permitted) plans are approved, an amended permit will then be issued.

This permit may be terminated by the Board of Managers without notice at any time deemed necessary for the management of the water resources of the District, or in the interest of public health and welfare, or for violation of any of the provision of this permit.

A permit surety may be required of the permit holder or applicant. A surety is a monetary sum (an amount set by the Board of Managers, District staff and/or the District engineer after review of the project application or approved permit) provided by the applicant/permittee to the District to ensure the project is completed as designed and in compliance with District Rules. The District returns the money to the applicant/permittee after all permit conditions are met and the project is complete. If the District requires a surety, the applicant/permittee must provide the District the surety amount in the form of a check made out to the Pelican River Watershed District, or a Performance Bond, or Letter of Credit.

PERMIT APPLICATION AGREEMENT

"I understand that, as a Permittee, I am legally accountable to ensure compliance with the terms and conditions of the permit. I understand that I am not authorized to begin the project until I received the permit and the permit is posted as directed on the project site. If the project is modified, I will obtain approval by the District before I continue with the project. I authorize the District, and its agents, employees, officers, and contractors to enter the project site to perform any inspection or work authorized by the permit or any applicable law.”

"I certify that I have thoroughly read and understand the information on this permit application, including submittal requirements."

(Administrator, or Authorized Agent signature)
PERMIT AUTHORIZED AGENT

Brad Sessler ("Owner") hereby authorizes Schoolers Riprap Service ("Agent") to act as Owner's authorized agent for the purpose of securing a permit from the Pelican River Watershed District for Riprap Project to be completed on Owner's property located at Parcel ID (PIN): 080 89 5804 Physical Site Address: 20675 Evergreen Shores Dr., Detroit Lakes, MN Valid on permit applications submitted between 6/10/2019 and 6/17/2019.

Owner and Agent acknowledge that this form in no way alters the rules or regulations of the Pelican River Watershed District, and both Owner and Agent are responsible for compliance with the rules or regulations of the District. The person or company named as the Agent above has been approved to act as Owner’s authorized agent for the duration of the permit unless Owner notifies the District with an updated Authorized Agent Form. Owner expressly authorizes the District to disclose any and all information related to the Project to the Agent.

Please contact the Pelican River Watershed District per the information above with any questions or concerns you may have prior to filling out this form. Please note that if your project requires an authorized agent, your permit application will not be considered complete until this form has been completed and received by the District.
