PERMIT APPLICATION PURPOSE (indicate all which apply)

✓ A. Alteration to land, vegetation, and/or impervious surface within the Shore Impact Zone

B. Rip-rap or beach sand blanket (installation, repair, replacement)

C. Alteration to land, vegetation, and/or impervious surface within bluff impact zone or on steep slopes within the Shoreland District.

D. Retaining wall (installation, repair or replacement within the Shore and/or Bluff Impact Zones)

E. Impervious surface (cumulative) coverage

F. Subdivisions, plats, or Planned Unit Developments (PUD’s)

G. Highway, road, street, parking lot or public water access (new or reconstruction)

H. Bridges, culverts, inlets to waters of the state; storm sewers (new or replacement)

I. Groundwater Dewatering (discharging to waters of the state)

Project Purpose/Description: (Please be specific)

Lake Name: (if applicable) Big Detroit Lake

1. Improve stop to decrease drainage into shoreline
ditches due to ice ridge that formed last winter by removing melt quantity of small gravel and re-distributing into adjacent rip-rap.

2. Provide black dirt fill to even out ice ridge (adjacent to above) thus promoting turf maintenance but allowing run-off into lake. This area is 4’ wide by 15’ lake and 3’ wider of the diagram. It would require 4’ off of turf and TMPS away from the lake.

Proposed start date: 8/1/15 Proposed completion date: 8/17/15

*Identify any work already completed on drawings

PERMIT APPLICATION SUBMISSION REQUIREMENTS

1. Completed permit application, signed by the Property Owner, or authorized signatory
2. Duplicates of all drawings, site plans, and other required documents.
3. Application and Field inspection fees according to the most recent schedule
4. Street map indicating project location

TERMS OF THE PERMIT

Applying for a permit issued through the Pelican River Watershed District (PRWD) in no way precludes obligation for permit application that may be required through OTHER governmental agencies. Any work performed prior to obtaining all required authorizations may be subject to Federal, State and/or administrative, civil, and/or criminal penalties. No liability shall be imposed on the District or any of its officers, agents or employees on official or personal grounds, on account of the granting of this permit, on account of any damage to any person or property resulting from any act or omission of the Permitee or any of its agents, employees or contractors relating to any matter hereunder. This permit shall not be construed as limiting any legal claim or right of action of the District against the Permitee, its agents, employees or contractors for the violation of, or failure to comply, with the provisions of the permit or applicable provisions of law.

When all items have been satisfactorily completed and the District determines the project meets the District's Rule requirement, this permit will be issued. The permit may be picked up at the District office, or it will be mailed to the designated address. A copy of the approved permit will be faxed to the applicable local governmental entity (Becker or Ottertail County, City of Detroit Lakes Zoning departments).

The permit will be valid for eighteen (18) months from the date of issuance, unless otherwise suspended or revoked. A permit may be extended at no charge, provided the property owner notifies the District in writing stating the reasons for extension. Any plan changes, and related project documents must also be included in the extension application. The District must receive the extension application at least thirty (30) day prior to the permit's expiration date as issued.

If changes are made to the permitted plans for this project, changes must be submitted to the District (in duplicate form) for review prior to installation or completion occurs. If changes to the original (permitted) plans are approved, an amended permit will then be issued.

This permit may be terminated by the Board of Managers without notice at any time deemed necessary for the management of the water resources of the District, or in the interest of public health and welfare, or for violation of any of the provision of this permit.

PERMIT APPLICATION AGREEMENT

"I understand that, as a Permitee, I am legally accountable to ensure compliance with the terms and conditions of the permit. I understand that I am not authorized to begin the project until I received the permit and the permit is posted as directed on the project site. If the project is modified, I will obtain approval by the District before I continue with the project. I authorize the District, and its agents, employees, officers, and contractors to enter the project site to perform any inspection or work authorized by the permit or any applicable law."

"I certify that I have thoroughly read and understand the information on this permit application, including submittal requirements."

It's: [Signature]
Landowner: Bill and Nancy Henke  
Contractor: N/A  
Project Address: 962 South Shore Drive  
Site Visit Date: 04/19/15  
Parties Present During visit: Nancy Henke

I met the Nancy Henke on-site and Bill Henke in the PRWD office to discuss repair to the shoreline caused by the previous year ice push. Two areas will be repaired this year with additional shoreline restoration possible in the coming years.

The area in front of the water oriented structure (boathouse) will be sloped away from the structure to ensure water does not rest on the foundation.

The area to the east of the boathouse will have fill added to create level ground. The slope of the land will be away from the lake. All exposed soils will be covered with erosion control blanket and re-seeded or be sodded.

Brent Alcott | Assistant Administrator
