PERMIT

PERMIT MUST BE POSTED AT PROJECT SITE, VISIBLE FROM ROAD

Permit Number 17-19  
Permit Date: 05/25/17

Permit Granted To: Jeff  
Forward

Project Address 23746 South Melissa Dr

City, State, ZIP: Detroit Lakes, MN 56501

Project Type Shore Impact Zone Alteration: Replace existing concrete patio with a pervious deck; repair existing rip-rap

Permit Granted with the Following Conditions to be Satisfied by the Permit Holder:

1) Project will be constructed as shown on approved site plan, prepared by Josh Braton (Natures Design), dated 05/24/17.
2) Project will be constructed as shown on PRWD photograph, dated 05/25/17.
3) Erosion and Sediment Control Best Management Practices will be installed to contain disturbed soils.
4) All measures must conform to other applicable Zoning and Shoreland Ordinance regulations (Becker County, City of Detroit Lakes, Minnesota Pollution Control Agency, MN Department of Natural Resources)

**Install according to Becker County or Detroit Lakes Shoreland Ordinance and Planning and Zoning regulations, and State of MN - Department of Natural Resources**

This permit is valid for 18 months.

Permit may be revoked at any time upon violation of Pelican River Water Management Rules. Any changes to this site permit results in nullification of this permit and a new permit will have to be obtained.

Signature of Tera Guetter, District Administrator

1. Completed permit application, signed by the **Property Owner**, or authorized signatory
2. Duplicates of all drawings, site plans, and other required documents.
3. Application and Field inspection fees according to the most recent schedule
4. Street map indicating project location

TERMS OF THE PERMIT

Applying for a permit issued through the Pelican River Watershed District (PRWD) in no way precludes obligation for permit application that may be required through OTHER governmental agencies. Any work performed prior to obtaining all required authorizations may be subject to Federal, State and/or administrative, civil, and/or criminal penalties. No liability shall be imposed on the District or any of its officers, agents or employees on official or personal grounds, on account of the granting of this permit, on account of any damage to any person or property resulting from any act or omission of the Permittee or any of its agents, employees or contractors relating to any matter hereunder. This permit shall not be construed as limiting any legal claim or right of action of the District against the Permittee, its agents, employees or contractors for the violation of, or failure to comply, with the provisions of the permit or applicable provisions of law.

When all items have been satisfactorily completed and the District determines the project meets the District's Rule requirement, this permit will be issued. The permit may be picked up at the District office, or it will be mailed to the designated address. A copy of the approved permit will be faxed to the applicable local governmental entity (Becker or Ottertail County, City of Detroit Lakes Zoning departments).

The permit will be valid for eighteen (18) months from the date of issuance, unless otherwise suspended or revoked. A permit may be extended at no charge, provided the property owner notifies the District in writing stating the reasons for extension. Any plan changes, and related project documents must also be included in the extension application. The District must receive the extension application at least thirty (30) day prior to the permit's expiration date as issued.

If changes are made to the permitted plans for this project, changes must be submitted to the District (in duplicate form) for review prior to installation or completion occurs. If changes to the original (permitted) plans are approved, an amended permit will then be issued.

This permit may be terminated by the Board of Managers without notice at any time deemed necessary for the management of the water resources of the District, or in the interest of public health and welfare, or for violation of any of the provision of this permit.

PERMIT APPLICATION AGREEMENT

"I understand that, as a Permittee, I am legally accountable to ensure compliance with the terms and conditions of the permit. I understand that I am not authorized to begin the project until I received the permit and the permit is posted as directed on the project site. If the project is modified, I will obtain approval by the District before I continue with the project. I authorize the District, and its agents, employees, officers, and contractors to enter the project site to perform any inspection or work authorized by the permit or any applicable law."

"I certify that I have thoroughly read and understand the information on this permit application, including submittal requirements."

SKETCH OF PROPERTY
1. Please sketch all impervious coverage on your property; include dimensions.
2. Sketch roadways adjacent to property - Include driveway location.
3. Indicate setback distances, including distance to: Side Lot Line, Rear Lot Line, ROW/Centerline, Septic Tank and Drainfield.
4. If you will be exceeding 15% impervious surface coverage, include a copy of your stormwater management plan. This applies to ANY lot that exceeds 15% coverage.
5. If proposed project is a detached garage/storage shed that will exceed 1 story, include detailed design.
6. Indicate where erosion control measures will be implemented and indicate storm water drainage pattern and how it will be maintained on the property.

Remember EROSION CONTROL!
Please use best management practices and/or silt fence to control erosion on all projects.
Project Site Plan

Scale: 1/4" =

Site Plan Checklist:
North Arrow
Impervious Areas (driveways, buildings, etc.)
Contours or Drainage Arrows
Existing Vegetation
Location of Temporary Erosion/Sediment Control measures
Location of Permanent Stormwater Management Areas
