TERMS OF THE PERMIT

Applying for a permit issued through the Pelican River Watershed District (PRWD) in no way precludes obligation for permit application that may be required through OTHER governmental agencies. Any work performed prior to obtaining all required authorizations may be subject to Federal, State and/or administrative, civil, and/or criminal penalties. No liability shall be imposed on the District or any of its officers, agents or employees on official or personal grounds, on account of the granting of this permit, on account of any damage to any person or property resulting from any act or omission of the Permittee or any of its agents, employees or contractors relating to any matter hereunder. This permit shall not be construed as limiting any legal claim or right of action of the District against the Permittee, its agents, employees or contractors for the violation of, or failure to comply, with the provisions of the permit or applicable provisions of law.

When all items have been satisfactorily completed and the District determines the project meets the District’s Rule requirement, this permit will be issued. The permit may be picked up at the District office, or it will be mailed to the designated address. A copy of the approved permit will be faxed to the applicable local governmental entity (Becker or Ottertail County, City of Detroit Lakes Zoning departments).

The permit will be valid for eighteen (18) months from the date of issuance, unless otherwise suspended or revoked. A permit may be extended at no charge, provided the property owner notifies the District in writing stating the reasons for extension. Any plan changes, and related project documents must also be included in the extension application. The District must receive the extension application at least thirty (30) day prior to the permit’s expiration date as issued.

If changes are made to the permitted plans for this project, changes must be submitted to the District (in duplicate form) for review prior to installation or completion occurs. If changes to the original (permitted) plans are approved, an amended permit will then be issued.

This permit may be terminated by the Board of Managers without notice at any time deemed necessary for the management of the water resources of the District, or in the interest of public health and welfare, or for violation of any of the provision of this permit.

PERMIT APPLICATION AGREEMENT

“I understand that, as a Permittee, I am legally accountable to ensure compliance with the terms and conditions of the permit. I understand that I am not authorized to begin the project until I received the permit and the permit is posted at directed on the project site. If the project is modified, I will obtain approval by the District before I continue with the project. I authorize the District, and its agents, employees, officers, and contractors to enter the project site to perform any inspection or work authorized by the permit or any applicable law.”

“I certify that I have thoroughly read and understand the information on this permit application, including submittal requirements.”

RE: Violation Restoration  
Project Address: 13381 W Lake Sallie Drive  
PIN: 190817000

On September 18th, 2015, Pelican River Watershed District staff observed that three healthy trees had been removed at 13381 W Lake Sallie Drive in the Shore Impact Zone without permit. A Stop Work Order was issued on October 1st. During a site visit (October 08th, 2015) with the homeowner and Becker County SWCD, a restoration plan was discussed. The homeowner agreed with the plan which included the replacement of the three removed tree. Becker County SWCD designed an installation, operation, and maintenance as discussed with the homeowner.

The Pelican River Watershed District will remove the Stop Work Order and approve the Shoreline Alteration Permit with the following conditions.

1. Erosion control practices will be installed and maintained until the site is re-vegetated.
2. The homeowner/contractor must follow the approved Becker County SWCD Operation and Maintenance plan.
3. Following completion, the homeowner will contact the Pelican River Watershed District to schedule a final inspection, no later than August 31, 2016
